- Lessons will average one hour.
- A horse will be assigned that is worthy of the day's lessons.
- Always ask which horse to ride if it is not posted or already stated. Do not saddle up and ride any horse other than the one designated by the instructor.
- Everyone will be required to saddle their own horse. In the case of small children who are unable to do so alone, someone will help.
- All horses must be well groomed prior to being ridden. This means the horse must be curried and brushed from head to hoof. Hooves must be cleaned and manes combed. The tail should be examined for knots and brushed occasionally. The appearance of one's horse reflects on the rider.
- All tack must be properly fitted. Check for the proper fit of both the bridle and saddle every time you tack up your horse. It is your responsibility to make sure that everything is adjusted properly.
- If the horse shows signs of illness or if the horse has any cuts that have not been treated, notify the instructor prior to saddling so that it can be treated.
- A horse must be properly cooled out and cared for after the lesson. All tack must be wiped down and put away properly.
- A boot with a half-inch heel will be worn while mounted at all times. Students **MUST** provide their own boots.
- You must provide a copy of both sides of your child's insurance card before they ride.
- One private lesson is \$35.00.
- Group lessons are \$30.00 per one-hour lesson or \$45.00 for two lessons for Rodeo and Play Day team members. (\*See Rodeo and Play Day Agreement Form for more information.)
- There are no discounts for additional children.
- All lessons must be paid at the beginning of the month. (Prior to having the lesson.)
- Each month four or five lessons will be required. It will be your responsibility to know if there are four or five weeks in the month.
- There will be no limit on the number of lessons per month. This means that before the first lesson of each month, pay for all that month's lessons. Extra lessons per month will be given if desired, but scheduling and payment must be negotiated with the instructor. (i.e. If five lessons are scheduled and the student wishes more, he/she needs only to speak with the instructor to add another date at the instructor's convenience.)
- Lessons will be scheduled for a particular day and time. In the event of rain, lessons will NOT be cancelled. If riding is not possible, another horse related activity will be done such as watching an educational movie about horses or rodeo.
- To cancel a lesson, you must contact me \*24 hours in advance\* of the cancelled lesson. One chance to make up the lesson will be rescheduled if you desire. There will be **NO REFUNDS**. If you call the day of the lesson, the lesson will not be made up.
- *Failure to meet any of the above requirements will result in termination of lessons.*
- KB Horse Camp reserves the right to amend the lesson requirements at any time. All decisions made by KB Horse Camp instructors and/or staff are final.

I appreciate your desire to learn about riding, and I look forward to working with you.

Thank you,

Kim McGhee
